

BREAKFAST

The price you see
is the price we charge!

The cost of doing business is constantly on the rise. Adding extra fees to cover credit card processing, employee wages and benefits, and economic impact has become common practice in our industry. However, at KC's, we believe that the check at the end of your meal shouldn't have a list of extra charges at the bottom. Our prices include these costs, and our checks contain no surprises. Thank you!
